

Azerbaijan High-Speed Optical Cable

Overview

The Trans-Caspian Fiber-Optic Cable Line project is a project to lay high-speed fiber-optic cable lines between Azerbaijan and the countries of Central Asia through the bottom of the Caspian Sea. A document approving the agreement on the construction of the submarine fiber-optic communication lines along the Caspian Sea seabed was signed in the presence of Azerbaijani Prime Minister Ali Asadov and Kazakh Prime Minister Olzhas Bektenov. According to Kazakhstan's media, Vice-Prime Minister and Minister of Digital Development, Innovation and Aerospace Industry Zhaslan. Chairman of the Board of AzerTelecom Emil Masimov unveils how the Digital Silk Way will reshape Eurasian connectivity, creating the first direct digital bridge between Azerbaijan and Kazakhstan and powering future cloud and AI ecosystems. According to him, a contractor company is currently being selected for this.
