

Belgian custom fiber optic patch cord supplier

Overview

Norden is the leading Ruggedized Armoured Fiber Optic Patch Cord manufacturer and supplier in Belgium.

Key Takeaways

Norden Belgium, Belram, and EDP Europe are leading manufacturers and distributors of fiber optic patch cords in Belgium. Key Manufacturers and Distributors

Norden Belgium specializes in high-quality fiber optic patch cords, including armoured and breakout types. Their products support OM1, OM2, OM3, OM4, OS1, and OS2 multi-mode and single-mode fibers, designed to withstand repeated bending and side pressure, making them suitable for office LAN connections, patch cords, and pigtailed. Belram has been a major distributor in Belgium and Luxembourg since 1964, offering a wide range of fiber optic connectors, cables, and adapters for professional applications in audiovisual, telecom, industrial, and medical sectors. They provide both stock items and customized solutions, ensuring technical support for project-specific requirements. EDP Europe distributes HUBER+SUHNER fiber optic solutions, including single-mode and multi-mode patch cords in LC, SC, and E2000 formats. Their products are optimized for in-rack connections, minimizing cable mass and maintaining performance in tight spaces. They also offer MTP jumper cables, trunk cables, and transition cables for data centers. Other notable players include Netconnect, A-NET, PROCAB, and Tevelec Limited, which provide fiber optic cabling, installation, and custom assemblies for telecommunications and professional networking applications.

Product Features and Services

- Single-mode and multi-mode options for various network requirements
 - Custom lengths and connector types to suit specific installations
 - High durability and bend-radius optimization for tight spaces
 - Support for FTTH, FTTx, and enterprise networks
 - Technical assistance and certification services for installation and maintenance
- These manufacturers and distributors collectively cover a broad spectrum of fiber optic needs, from standard patch cords to specialized high-performance solutions, making Belgium a reliable hub for sourcing fiber optic cabling and accessories.
