Buy fiber optic cable

Overview

Fiber Optic Internet Cables for High-Speed NetworksShop fiber optic internet cables for reliable, high-speed data connections in electronics and networking.

Key Takeaways

You can buy fiber optic cables online from specialized suppliers like Cables Plus USA, CableWholesale, Fiber Cables Direct, as well as major retailers like Amazon and Walmart.Recommended Suppliers

Cables Plus USA offers a wide selection of fiber optic cables, including singlemode and multimode, indoor and outdoor, and high-density options. They provide bulk cables, tools, and accessories for cable management, with pricing per foot for large outside plant (OSP) cables with armor for durability and high performance . CableWholesale specializes in bulk fiber optic cables for internet and networking. They carry singlemode duplex and multimode cables, connectors, converters, and other essential accessories. Singlemode cables are ideal for long-distance data transfer, while multimode is suitable for shorter distances. Bulk discounts are available for larger orders . Fiber Cables Direct (FCD) provides TAA-compliant, USA-made fiber optic cables. They offer custom lengths, indoor/outdoor options, singlemode/multimode, and mode conditioning cables. Orders typically ship within 1-2 days, and all products come with a lifetime warranty. Free UPS Ground shipping is available across the U.S., including Alaska and Hawaii .

Major Retailers

Amazon and Walmart also sell fiber optic cables, offering convenience and a variety of brands and lengths. These platforms are suitable for smaller orders or consumer-grade networking setups .

Tips for Buying

- Determine the type of fiber: Singlemode for long distances, multimode for shorter runs.
- Check cable specifications: Indoor vs outdoor, bend-tolerant, armored, or gel-free.
- Consider accessories: Connectors, converters, patch cords, and cable management tools.
- Bulk vs individual purchase: Wholesale suppliers often provide better pricing for large projects.
- Warranty and shipping: Look for suppliers offering guarantees and fast shipping, especially for critical installations. By choosing the right supplier and cable type, you can ensure reliable performance for your networking or internet infrastructure.
