

Canadian Power Cable Tray Cooperation

Overview

The planned joint venture will offer ABB Installation Products, T&B® Cable Tray and ExpressTray® Steel Wire Basket Tray product lines, as well as Niedax Group's MonoSystems®, Canadian Electrical Raceways and other Niedax® product lines. The joint venture (JV) will broaden solutions and advance opportunities in the rapidly growing North American cable management market. Integrating engineering and manufacturing capabilities of ABB's Installation Products Division with Niedax Group will enable the newly formed company to deliver a broad range of cable management systems. ABB and Niedax Group, a supplier of cable management systems, have entered into an agreement to form a new 50/50 joint venture around the integration of the North American cable tray businesses of ABB's Installation Products Division and Niedax Group. Our extensive product range includes cable ladders, cable trays, baskets. The Canadian company CER is a reliable partner for high-quality cable management systems. CER attaches great importance to quality, innovation and customer satisfaction. CER specializes in customized electrical distribution systems, including cable bus and electrical feeder systems.
