

Detailed Price List for Cable Trays in the Netherlands

Overview

Cable Trays, Cable Management Trays | RSCable trays are a type of cable management system used to support and organize electrical cables and wires in commercial and industrial settings.

Key Takeaways

Cable trays in the Netherlands vary in price depending on type, material, size, and supplier, with typical ranges from €20 to €200 per 3-meter section.

Types of Cable Trays and Materials

-

Ladder Cable Trays – Feature horizontal rungs for cable support; commonly used in industrial and commercial installations. Prices typically range from €50 to €150 per 3-meter section, depending on width and material (steel or aluminum) .

-

Wire Mesh / Basket Trays – Made of perforated or mesh panels, ideal for data and communication cables. Prices generally range from €30 to €120 per 3-meter section .

-

Trough / Solid Bottom Trays – U-shaped or rectangular trays with open or partially covered sides, suitable for heavy-duty power cables. Costs are usually €60 to €180 per 3-meter section .

-

Stainless Steel Trays – High corrosion resistance (AISI 304), lengths of 3 meters, widths 25–600 mm, heights 25–125 mm. Prices can range from €100 to €200 per section, with custom dimensions available on request .

Supplier Options in the Netherlands

- InElektro.nl – Offers high-quality cable ducts and trays, 3-meter lengths, competitive pricing, and fast shipping .
- CC Nederland B.V. – Specializes in stainless steel cable trays with flexible installation options and custom sizes .
- Brilltech Engineers / CableTrayManufacturers.in – Provides galvanized steel, stainless steel, and fiberglass trays, with installation support and design assistance .
- Volza Database – Lists 72 active ladder and cable tray suppliers in the Netherlands, useful for comparing pricing, shipment volumes, and supplier reliability .

Additional Considerations

- Shipping Costs – Typically vary by supplier and order volume; InElektro.nl provides shipping options at checkout .
- Customization – Stainless steel and perforated trays can be custom-sized, which may increase cost.
- Installation Accessories – Support arms, covers, and clamps may add €5–€20 per section depending on type and material.
- Bulk Orders – Large projects may qualify for discounts; contacting suppliers directly is recommended for precise quotes.

For a precise price list, it is advisable to request quotes from multiple suppliers such as InElektro.nl, CC Nederland B.V., and Brilltech Engineers, specifying the tray type, material, dimensions, and quantity required. This ensures accurate pricing tailored to your project needs.
