

Distribution boxes sent abroad

Overview

Read this handy packing guide to discover which boxes are unsuitable for international shipping and which will keep your belongings safe.

Key Takeaways

Consolidate small boxes into a single palletized unit and secure with strapping and shrink-wrap to speed handling and reduce per-unit freight cost. Each box should include a clearly visible label with consignee name, contact phone, destination address, and HS code or a brief. Before packing your box for international shipping or moving, check our guidelines on the different types of shipping boxes and choose the best packing material for your needs. What. Whether you're moving your worldly possessions abroad or have some luggage you would like to send overseas, it is essential to pack your goods safely and securely. We are the experts in sending boxes overseas to over 200 countries, as well as domestically within the United Kingdom. We offer a wide range of street cabinets, as well as indoor and outdoor distribution boxes. What do you need? By checking the box, you consent to the collection and storage of the data you provide for the purpose of contacting and responding to your request in accordance with our privacy policy. A misstep can bring a wave of problems, from spoiled. Do you want to quickly, safely and most importantly – cheaply – send boxes abroad? International shipping from GetMyParcel is simple, reliable and cost effective. Our streamlined service enables you to ship boxes to wherever you are relocating, sending personal items or getting products shipped for.
