

Fiber Optic Cable Manufacturer in Dubai

Overview

Dubai hosts several prominent fiber optic cable suppliers, offering top-notch products and innovative solutions.

Key Takeaways

Leading fiber optic cable manufacturers and suppliers in Dubai include Cables House, HELUKABEL, D-Connect, FiberLink UAE, and Emirates Fiber Solutions, offering single-mode, multimode, and armoured cables with local support.

Key Manufacturers and Suppliers

Cables House – Established in Dubai, Cables House provides a wide range of fiber optic solutions including single-mode and multimode cables (OS2, OM3, OM4), fiber accessories like pigtails and patch cords, and structured cabling solutions such as Cat6, Cat6a, and Cat7 cables. They serve telecommunications, construction, and automation industries with local support and fast delivery .

HELUKABEL – Located in Dubai World Central, HELUKABEL is a global cable manufacturer offering fiber optic cables, coaxial cables, and video cables. They provide ISO9001-certified products, tested to international standards, and cater to both local and international markets .

D-Connect – A trusted Dubai-based supplier, D-Connect offers single-mode and multimode fiber cables, FTTH cables, armoured fiber optic cables, and fiber accessories. They are Etisalat & DU approved, ensuring compatibility with UAE telecom networks, and provide fast local delivery and technical support .

FiberLink UAE – Specializes in telecom-grade fiber optic cables and bulk fiber optic supplies. They offer structured cabling solutions for commercial and residential projects, with a focus on quality, compliance, and reliable delivery .

Emirates Fiber Solutions – Provides a comprehensive range of fiber optic cables and accessories, including single-mode, multimode, and armoured options. They are known for professional support, extensive inventory, and structured cabling solutions suitable for enterprise and government projects .

Additional Notable Manufacturers

Other UAE-based companies include Optronics Plus, USTech, Arabian Fiber Optic Cable Manufacturing LLC (AFOC), Norden, GEC, DME Prolink, Naficon, and Superior Technologies, offering specialized fiber optic products for high-speed data transmission, industrial applications, and FTTH projects .

Considerations When Choosing a Supplier

- **Compliance:** Ensure the supplier is Etisalat & DU approved for network compatibility.
- **Product Range:** Check availability of single-mode, multimode, armoured, and FTTH cables.
- **Support & Delivery:** Local suppliers provide faster delivery, installation guidance, and after-sales support.
- **Certifications:** ISO or UL certifications indicate quality and reliability.
- **Pricing:** Bulk purchases often come with discounts without compromising quality. These manufacturers and suppliers provide robust solutions for building reliable, high-speed fiber optic networks in Dubai and across the UAE.
