

Galvanized ladder-type cable tray manufacturer price

Overview

Choose from our selection of ladder cable trays, including cable and hose trays, heavy duty open cable and hose carriers, and more.

Key Takeaways

Hot-dip galvanized ladder-type cable trays typically start around \$1 per unit for bulk orders, with standard lengths of 2.4 meters and minimum order quantities ranging from 100 to 500 meters depending on the supplier.

- Standard Length: Most galvanized ladder trays are sold in 2.4-meter sections .
- Price Range: Bulk orders can start at approximately \$1 per unit for hot-dip galvanized trays . Prices may vary based on width, thickness, and coating type.
- Minimum Order Quantity (MOQ): Suppliers often require 100 units for small orders or 500 meters for larger industrial orders .

Material and Coating

- Hot-Dip Galvanized (HDG): Provides a thick zinc coating for superior corrosion resistance, ideal for outdoor and industrial environments .
- Galvanized Iron (GI): Commonly used for commercial and infrastructure projects, with rungs supporting cable ventilation and maintenance .

- Thickness and Width Options: Typically available in widths from 50mm to 1000mm and thicknesses from 1mm to 3mm .

Supplier Examples

- Ramdev Steel Industries: Offers steel ladder cable trays with hot-dip galvanizing, minimum order 500 meters, suitable for industrial and commercial installations .
- Parco Engineers: Provides HDG ladder trays with 86-micron coating, ISO-certified, suitable for data centers and industrial projects .
- Alibaba Suppliers: Bulk orders starting at \$1 per unit, MOQ 100 units, suitable for resale or large-scale projects .

Additional Considerations

- Fittings and Accessories: Price for elbows, tees, and joints is usually per piece and may vary by supplier .
- Customization: Width, thickness, and coating type can affect the final price. Contact suppliers directly for a detailed quote based on project specifications.
- Delivery and Lead Time: Bulk orders may require advance notice; shipping costs depend on location and order size. For an accurate quote, it is recommended to contact suppliers directly with your required length, width, thickness, and quantity to receive a tailored price.
