

Greek Industrial Switch Supplier

Overview

Material Supply We are official distributor – partner of EATON (Klockner Moeller) and Schneider Electric (Telemecanique) in Greece. We have large Top Switc.

Key Takeaways

Vilma Group, Automation Experts, and Industrial Electronics are leading suppliers of industrial switchgear and automation solutions in Greece.Vilma Group

Based in Patras, Vilma Group has been a major supplier of electrical switchgear and equipment since 1973. They specialize in custom-built low and medium voltage switchboards, power distribution boards, and integrated switchgear solutions for industrial, commercial, public, and energy sectors. Their products are fully compliant with relevant standards and are designed for durability, efficiency, and high performance. Vilma Group emphasizes customization, innovative engineering, and timely delivery, sourcing high-quality electrical components from trusted partners in Greece and abroad (Vilma Group).

Automation Experts

Automation Experts focuses on industrial automation systems, offering products and services such as PLCs, HMIs, SCADA, variable speed drives, motion control, and industrial networking solutions. They are official distributors of brands like Invertek Drives, CMZ, IDEC, Proface, HMS, Anybus, and Wachendorff in Greece and Cyprus. Their solutions include real-time monitoring, teleservice, and integrated automation systems, making them suitable for industries seeking advanced control and automation capabilities (Automation Experts).

Industrial Electronics

Founded in 1980 in Thessaloniki, Industrial Electronics provides manufacturing, trading, and technical support in industrial automation. They produce automation panels for special machines and applications and supply a wide range of industrial electronic products. Their focus is on sourcing high-quality products from abroad while maintaining a competitive quality-price ratio, catering to diverse industrial needs (Industrial Electronics).

Summary

For businesses in Greece seeking industrial switchgear and automation solutions, these suppliers offer:

- Custom-built switchboards and integrated switchgear (Vilma Group)
- Advanced automation systems and industrial networking (Automation Experts)
- Automation panels and electronic components (Industrial Electronics) Each company provides technical expertise, compliance with standards, and reliable delivery, making them suitable partners for industrial projects requiring high-quality electrical and automation solutions.
