

Indian Commercial Distribution Boxes Manufacturer

Overview

Power Distribution Box Get contact details & address of companies manufacturing and supplying Power Distribution Distribution Box Find trusted Distribution.

Key Takeaways

Leading Indian manufacturers of commercial distribution boxes include Vedse (New Delhi), Shivshakti Engineering (Mumbai), Vaibhav Laxmi Industries, and Pantek Group, offering TPN, SPN, MCB, and double/single door boxes in stock. Key Manufacturers and Offerings

1. Vedse, New Delhi Vedse manufactures a wide range of distribution boxes including TPN distribution boxes, pole distribution boxes, single and double door boxes, SPN boxes, and plastic distribution boxes. Prices start from ₹105 per piece, with a minimum order quantity of 10 pieces. They offer customization based on client specifications and bulk orders can be negotiated directly with the manufacturer . 2. Shivshakti Engineering, Mumbai Shivshakti Engineering provides 4-way TPN double door, vertical TPN, 4-way single and double door distribution boxes, MCB distribution boxes, ATM distribution boxes, and SPN boxes. Their products are made from high-grade CRCA steel with epoxy powder coating for durability. They cater to bulk orders and ensure quality checks at every stage of production . 3. Vaibhav Laxmi Industries Vaibhav Laxmi Industries specializes in electrical distribution boxes for residential, commercial, and industrial applications. Their boxes feature circuit breakers, surge protection, overload protection, modular design, and efficient cable management. They emphasize safety, durability, and adaptability for evolving electrical systems . 4. Pantek Group Pantek Group offers high-quality distribution boxes with strong domestic supply coverage across India. Their products are designed for reliable performance in commercial and industrial applications, ensuring high supply ability and consistent quality . 5. Additional Suppliers ExportersIndia lists multiple verified suppliers of power distribution panels, feeder pillars, and electrical distribution boxes, allowing comparison of prices and bulk deals for commercial procurement .

Considerations for Purchase

- Type of Box: Choose based on application (TPN, SPN, MCB, single/double door, pole-mounted).
- Material & Durability: CRCA steel with epoxy coating is common for industrial use.
- Customization: Many manufacturers offer tailored solutions for size, configuration, and safety features.
- Bulk Orders: Minimum order quantities typically start at 10 pieces, with negotiable pricing for larger orders.
- Safety Features: Look for built-in circuit breakers, surge protection, and overload protection for commercial installations. For immediate procurement, contacting these manufacturers directly via their websites or inquiry forms is recommended to confirm stock availability, pricing, and delivery timelines.
