

Italian U-shaped cable tray manufacturer

Overview

Cable Trays Schiavetti Tekno, part of Spina Group, is a leading Italian manufacturer of cable trays and accessories for electrical and Cable Trays In Italy.

Key Takeaways

Schiavetti Tekno and Zamet SpA are among the top Italian manufacturers for high-quality U-shaped cable trays, offering durability, customization, and compliance with European standards. Schiavetti Tekno

Schiavetti Tekno, part of the Spina Group, has been a leading Italian cable tray manufacturer since 1964. They produce a wide range of cable trays, including stainless steel, galvanized, and wire-mesh types, with U-shaped options available. Their trays are designed for strength, corrosion resistance, and long-term performance in demanding industrial environments. Schiavetti Tekno also offers custom sizes and compatibility with Unistrut systems, ensuring flexibility for complex installations. All products comply with European (EN) and international (UL) standards, and the company provides full technical support and after-sales service .

Zamet SpA

Zamet SpA has over 40 years of experience in designing and producing cable conveyance systems for both civil and industrial applications. Their product lines include ZU and ZC systems, which feature U-shaped cable trays suitable for various load and environmental requirements. Zamet emphasizes custom design, versatility, and functional solutions, making them a strong choice for projects requiring tailored cable management systems .

DKC Europe

DKC Europe, through acquisitions including Sati Italia, offers a broad range of cable protection and energy distribution solutions. Their U-shaped cable trays are known for reliability, innovative design, and international compliance, supported by a strong logistics network across Italy for rapid delivery .

Key Considerations

When choosing the best manufacturer, consider:

- Material and finish: Stainless steel or galvanized for corrosion resistance.
- Customization: Ability to produce U-shaped trays in specific dimensions.
- Compliance: Adherence to EN and UL standards.
- Support: Technical assistance, installation guidance, and after-sales service.
- Experience: Proven track record in industrial and infrastructure projects. For high-quality, durable, and compliant U-shaped cable trays in Italy, Schiavetti Tekno and Zamet SpA are highly recommended, with DKC Europe as a strong alternative for large-scale or international projects .
