Key Takeaways

Ladder cable trays in the Maldives are available from local suppliers like Brilltech Engineers and Asters Maldives, with prices typically ranging from MVR 3,000 to MVR 7,000 per standard 3-meter section depending on material and specifications. Local Suppliers and Options

Brilltech Engineers Pvt. Ltd. is a leading manufacturer and supplier of ladder cable trays in the Maldives, offering both standard and customized solutions to meet industry requirements. They provide ISO-certified products suitable for commercial and industrial applications, ensuring compliance with international quality standards. Asters Maldives offers a variety of cable tray bundles, including metal and aluminum ladder trays, complete with connectors and screws. Their products are designed for easy installation and durability, with standard lengths around 9'6" (approximately 3 meters) and multiple width options.

Price Range

While exact prices depend on material, size, and finish, a general guide based on regional suppliers and international price lists indicates:

- Standard metal ladder cable tray (3 meters, galvanized or powder-coated): MVR 3,000 – 5,000 per section

- Aluminum or premium finishes: MVR 5,000 – 7,000 per section
- Accessories (elbows, tees, reducers, covers): MVR 500 – 1,500 per piece depending on size and type For bulk orders or customized dimensions, suppliers like Brilltech Engineers can provide quotations tailored to project specifications .

Material and Specifications

- Materials: Galvanized steel, stainless steel, aluminum, and powder-coated metal
- Widths: Typically 100 mm to 600 mm, with heights from 50 mm to 150 mm
- Accessories: Straight sections, elbows, tees, crosses, reducers, and covers
- Finish options: Electroplated (EP), hot-dip galvanized (HDG), or powder-coated for corrosion resistance

Recommendations

- Contact local suppliers directly for updated pricing and availability, as shipping and import costs can affect final prices.
- Consider material choice based on environmental conditions; stainless steel or HDG is recommended for coastal areas to prevent corrosion.
- For large-scale projects, request bulk discounts and inquire about installation support from suppliers. By consulting these suppliers and considering material and accessory requirements, you can plan an effective budget for ladder cable tray installations in the Maldives .
