

Oman Explosion-proof Distribution Box Manufacturers

Overview

Various ATEX rated products for different purposes in Ex zones. APSCO is Limited Liability Company (LLC).

Key Takeaways

Key manufacturers and suppliers of explosion-proof distribution boxes in Oman include APSCO, Al Kiyumi Electric, and Warom, offering ATEX and IECEx certified products for hazardous environments. APSCO

APSCO LLC in Oman provides ATEX-rated explosion-proof enclosures suitable for various hazardous zones. They focus on high-quality, specialized technology and offer a range of products designed for industrial applications requiring strict safety standards. Their offerings include distribution boxes and other enclosures for electrical systems in explosive atmospheres.

Al Kiyumi Electric & Trading Co. LLC

Al Kiyumi Electric is a trusted electrical supplier in Oman with a wide range of products, including explosion-proof junction boxes, light fittings, and accessories. They cater to industrial and hazardous areas, ensuring product availability and compliance with safety standards. Their portfolio also includes cable management systems, motor starters, and industrial plugs and sockets suitable for Ex zones.

Warom

Warom is a global leader in explosion-proof electrical equipment with a regional hub serving the Middle East and North Africa. They manufacture explosion-proof distribution boxes, control equipment, lighting, motor switches, and cable connectors. Warom products comply with IEC, ATEX, and IECEx standards and are widely used in petroleum, chemical, marine, and mining industries. Their Oman clients include PDO and ORPIC, demonstrating local project experience. Warom also provides technical support, assembly, quality control, and after-sales service, ensuring reliable deployment in hazardous environments.

Considerations for Selection

When choosing a manufacturer or supplier in Oman, consider:

- Certification compliance: ATEX, IECEx, and IEC standards for hazardous areas.
- Product range: Availability of distribution boxes, junction boxes, and related accessories.
- Technical support: On-site assistance, installation guidance, and after-sales service.
- Local presence: Suppliers with regional offices or partnerships can provide faster delivery and support. These companies provide robust solutions for oil, gas, petrochemical, and industrial projects in Oman, ensuring safety and compliance in explosive atmospheres.
