

Price list of vibration dampers for optical cables

Overview

Buy premium Optical Cable Vibration Damper Manufacturer in bulk from verified wholesale suppliers and manufacturers.

Key Takeaways

Vibration dampers for optical cables, such as ADSS and OPGW, typically range from \$5 to \$50 per unit depending on type, material, and supplier, with exact prices available upon request from manufacturers.

Types of Vibration Dampers

- Spiral Vibration Dampers
- Made of weather-resistant, non-corrosive plastic.
- Helically-formed damping section sized for the cable.
- Designed to reduce Aeolian vibration and extend cable life.
- Commonly used for ADSS cables.
- Example: AFL AVD Series Spiral Dampers, color-coded for cable diameter .
- Stockbridge (Shockbridge) Vibration Dampers
- Constructed from stainless steel, aluminum, and metal hardware.
- Multi-resonant design to dissipate wind-induced vibration energy.
- Suitable for both ADSS and OPGW cables.

- Example: Powtech FZC series, ISO certified, customizable .

Typical Price Ranges

- Spiral Dampers: Approximately \$5-\$15 per unit for standard sizes.
- Stockbridge Dampers: Approximately \$20-\$50 per unit, depending on material, size, and customization.
- Prices vary based on cable diameter, span length, and order quantity. Bulk orders often reduce per-unit cost .

Suppliers and Ordering

- Alibaba: Offers a wide range of ADSS optical cable dampers with wholesale options .
- ME Fiber Optic: Provides technical specifications and types, with direct contact for pricing .
- AFL Global: Specializes in AVD Series Spiral Dampers for ADSS cables .
- Powtech: Manufactures Stockbridge dampers with fast delivery and customization options .

Recommendations

- Contact suppliers directly for exact quotes, especially for large-scale projects or custom specifications.
- Specify cable type, diameter, and span length to ensure the correct damper type.
- Consider lead time and shipping costs, as these can affect total project cost. By understanding the type and specifications of the vibration damper, you can obtain accurate pricing and ensure optimal performance for your optical cable installations.

Article Content

optical cable damper, optical cable damper Suppliers and

281 optical cable damper products are offered for sale by suppliers on Alibaba , of which power accessories accounts for 37%,

Vibration Damper ADSS Optical Cable Fittings

Shop high-quality vibration damper ADSS optical cable fittings. Wholesale supplier of durable, reliable Spiral Vibration Dampers for

ADSS Cable Vibration Dampers Types Prices & Technical Specifications

Vibration dampers are widely used to control aeolian vibration of the ADSS cable and earth wires including optical ground wires

Optical Cable Vibration Damper Manufacturer Wholesale Suppliers ...

Buy premium Optical Cable Vibration Damper Manufacturer in bulk from verified wholesale suppliers and manufacturers. Best prices,

Spiral Vibration Damper for ADSS Cable | AFL Global

Spiral vibration dampers have a helically-formed damping section sized for interplay of damper and cable to provide the

Anti-Vibration Damper for Optical Cables

FZC series shockbridge vibration damper is a turning fork multi-resonant vibration damper founded by stockblique, and is mainly

Anti-Vibration Damper for ADSS/Opgw Optical Cables

It's an interference type damper to attenuate vibration amplitude by impact with its damping section and especially designed for

Spiral Shockproof Whip ADSS Cable Vibration Dampers

Spiral Vibration Damper is made of high-strength, antigenic and high-elasticity PVC plastic,

SPIRAL VIBRATION DAMPERS

The Hubbell spiral vibration damper (SVD) reduces Aeolian vibration on ADSS cable, Conductor, and Shield Wire/OPGW. Aeolian

ADSS/OPGW Optical Cable Vibration Damper

Overview Non-slip type Vibration Damper with armor rods Non-slip type vibration damper is composed of hammer and helical clip. It

US9025921B2

the source and output are often remotely located—requiring the need for optical transport cables. the absolute optical power is

Dominican ASU fiber optic cable completed production and delivery ...

G.652D Aerial Self-Supported ASU Fiber Optic Cable has a loose tube structure and water-resistant gel compound to

Stockbridge Vibration Damper for Opgw Cable

Stockbridge Vibration Damper for Opgw Cable, Find Details and Price about Vibration Damper and Damper from Qingdao Powtech

Helical Opgw Cable Vibration Damper/Fr Type Spiral Stockbridge ...

Helical Opgw Cable Vibration Damper/Fr Type Spiral Stockbridge Vibration Dampers, Find Details and Price about Stock Bridge

Spiral Vibration Dampers | Aerial Fiber Supplier | MIROC

Spiral Vibration Dampers are used in Pole Line Hardware to mitigate the effects of vibration on overhead power lines. Fast shipping

Vibration Damper for Optical Cable

An optical cable vibration damper is a mechanical device designed to reduce vibrations in overhead fiber optic cables, ensuring

Spiral Vibration Damper for ADSS / Opgw Cable / Vibration Absorber

We are Buffer manufacture and supplier, provide Spiral Vibration Damper for ADSS / Opgw Cable / Vibration Absorber on

How Do OPGW Cable Vibration Dampers Enhance... | ABPTEL

Conclusion OPGW cable vibration dampers are indispensable for mitigating the damaging effects of aeolian vibration
