

UAE sells 144-core fiber optic cable

Overview

Avalon 144 Core OS2 Armoured Fiber Cable HDPE Buy Avalon 144 Core OS2 Armoured Fiber Optic Cable in UAE. Outdoor multi Avalon 144 Core OS2 Multi-Tube Fiber.

Key Takeaways

The UAE offers high-capacity 144-core fiber optic cables, including both armoured and un-armoured Avalon OS2 single-mode options suitable for telecom, data center, and enterprise networks. Types of 144-Core Fiber Cables in the UAE

- Armoured Outdoor Cable (HDPE Sheath)
- Design: Multi-tube, jelly-filled, corrugated steel tape armoured for mechanical and rodent protection.
- Fiber Type: OS2 single-mode fibers for long-distance, low-loss transmission.
- Protection: HDPE outer sheath provides UV, chemical, and extreme weather resistance.
- Applications: Ideal for outdoor backbone networks, direct burial, and campus-type environments.
- Supplier: Available from ACS LLC and Security Supplies in the UAE .
- Un-Armoured LSZH Cable
- Design: Multi-tube, jelly-filled loose tube construction with LSZH (Low Smoke Zero Halogen) outer sheath.

- Fiber Type: OS2 single-mode fibers compliant with ITU-T G.652D / G.657A1 standards.
- Protection: Moisture-resistant, flexible, and suitable for indoor, outdoor, and industrial environments.
- Applications: FTTH, metro, and backbone networks where fire safety and low smoke emission are critical.
- Supplier: Available from ACS LLC and Security Supplies in the UAE .

Key Features

- High Capacity: 144 cores support dense network infrastructures.
- Durability: Armoured versions provide mechanical strength and rodent resistance; un-armoured versions offer flexibility for conduit installation.
- Performance: OS2 fibers ensure high-speed, long-distance connectivity with low signal attenuation.
- Environmental Resistance: Both types are designed to withstand UAE's harsh climate, including high temperatures and UV exposure.
- Compliance: Meets UAE telecom standards and global optical standards for backbone and enterprise networks.

Purchasing and Shipping

- Orders are typically processed within 1 working day (excluding weekends and public holidays).
- Shipping is available across the UAE, with careful packing to ensure timely delivery.
- Some suppliers offer free shipping and customer support via email or phone for inquiries . These 144-core fiber optic cables are suitable for telecom operators, ISPs, data centers, and enterprise backbone networks requiring high-density, reliable, and long-term outdoor or indoor installations.
