

What are some junction box manufacturers in Barbados

Overview

Search results of Top 187 Electrical Goods in Barbados, near me. Listings are verified with accurate business information.

Key Takeaways

Simmons Electrical Co Ltd and suppliers like Uflow Automation provide junction boxes and related electrical enclosures in Barbados. Local Suppliers and Manufacturers

Simmons Electrical Co Ltd is a private company in Barbados offering a range of electrical products and contracting services, including electrical installations for hotels, schools, hospitals, and commercial buildings. While primarily a contractor, they also supply electrical components such as wallplates and may provide junction boxes for local projects. They are located at Lot C16, Emerald Park, Six Roads Street, Bridgetown, Barbados, and can be contacted via email at simmonssales1998@gmail.com or office@simmons.bb. H&B Hardware and Lumber Inc. is a hardware supplier in Barbados that stocks electrical supplies, including junction boxes, switches, and other electrical accessories. They cater to both residential and commercial needs. Southwire Junction Boxes are available through local distributors like Do it Best Barbados. These weatherproof aluminum junction boxes are UL listed, NEC and NEMA 3R compliant, suitable for lighting fixtures, switches, and other electrical devices. Uflow Automation lists junction box manufacturers and suppliers that serve Barbados, India, and other global markets. They offer industrial-grade junction boxes with robust anodized aluminum bodies, suitable for commercial and industrial applications.

Considerations When Choosing a Supplier

- **Material and Durability:** Aluminum or weatherproof enclosures are recommended for outdoor or harsh environments.
- **Compliance:** Ensure the junction boxes meet UL, NEC, or NEMA standards for safety and reliability.
- **Availability:** Check if the supplier maintains stock locally or requires importation.
- **Technical Support:** Some suppliers, like Simmons Electrical, offer installation and technical guidance, which can be valuable for complex projects. For sourcing junction boxes in Barbados, contacting Simmons Electrical Co Ltd or visiting local hardware stores like H&B Hardware is a practical starting point. For industrial-grade or specialized enclosures, Uflow Automation can provide international supply options.
