

Zambian Fabric Mesh Cable Tray Manufacturer

Overview

Since 1982, VALDINOX has been designing and manufacturing wire mesh cable trays, supports, and easy-installation accessories.

Key Takeaways

Brilltech Engineers, Cable House, and ASML Africa are key suppliers of fabric mesh and perforated cable trays in Zambia. Leading Manufacturers and Suppliers

Brilltech Engineers Pvt. Ltd. offers a wide range of cable trays, including perforated and mesh designs, made from galvanized steel, stainless steel, and fiberglass. Their trays are designed for enhanced airflow, cable protection, and easy installation, suitable for both industrial and commercial projects. They also provide system design support, installation guidance, and compliance with industry standards in Zambia (Web result). Cable House, established in 1983, manufactures and supplies customized cable trays along with related products like hose clamps and cable ties. They are recognized for durable, high-performance trays and can provide tailor-made solutions to meet specific project requirements, ensuring long-term reliability and safety (Web result). ASML Africa supplies R-Line Cable Trays and Ladders, designed for industrial and commercial applications in Zambia. These trays are built to withstand harsh environmental conditions, resist corrosion, and integrate seamlessly into existing infrastructure. Their products are suitable for power distribution, data networks, and outdoor installations, emphasizing durability and ease of installation (Web result).

Key Features to Consider

- Material: Galvanized steel, stainless steel, fiberglass
 - Design: Perforated or mesh for airflow and heat dissipation
 - Durability: Corrosion-resistant and suitable for harsh Zambian conditions
 - Support Services: Installation guidance, system design, and customization
 - Applications: Industrial, commercial, data centers, and power distribution
- For procurement, it is recommended to contact these suppliers directly to discuss project specifications, request quotes, and confirm availability of fabric mesh cable trays suitable for your needs. Brilltech Engineers and Cable House also offer export and local delivery services, ensuring timely supply for large-scale projects.
